Nat. 104. 1831 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine barcinonensis* Costa -- Ind. Sem. Hort. Barcin. (1859); et Willk. in *Linnaea*, xxx. (1860) 125. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine blepharoglumis* T.Durand & B.D.Jacks. -- Ind. Kew. Suppl. 1. 151, errore. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine blepharoglumis* K.Schum. -- Pflanzenw. Ost-Afrikas C (1895) 113. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine brevifolia* R.Br. -- Numer. List [Wallich] n. 3815. 1831 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine brevifolia* Hochst. ex Steud. -- Syn. Pl. Glumac. 1(3): 211. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine brevifolia* Wall. -- Numer. List [Wallich] n. 3815. 1831 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine caespitosa* A.Rich. -- Tent. Fl. Abyss. 2: 412. 1850 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine calycina* Roxb. -- Hort. Bengal. 8; Fl. Ind. i. 346. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine calycina* Roxb. -- Fl. Ind. i. 347. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine calycina* Roxb. -- Hort. Bengal. 8 (1814), nomen; Fl. Ind., ed. Carey & Wall., i. 347 (1820); Fl. Ind., ed. Carey, i. 346 (1832). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine caracana* (L.) Gaertn. -- De fructibus et seminibus plantarum 1 1788 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eleusine cerealis* Salisb. -- Prodr. Stirp. Chap. Allerton 19. 1796 [Nov-Dec 1796] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-
From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Eleusine cerealis Salisb. -- Prodr. Stirp. Chap. Allerton 19. 1796 [Nov-Dec 1796] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-
From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon polyphyllus* (Domin) N.T.Burb. -- Proceedings of the Linnean Society of London Sess. 153 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon pretoriensis* Stent -- Bothalia i. 174 (1923). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon pubescens* (Domin) N.T.Burb. -- Proc. Linn. Soc. London 153, 83. 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon pubescens* (Domin) N.T.Burb. -- Proceedings of the Linnean Society of London Sess. 153 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon purpurascens* P.Beauv. -- Ess. Agrostogr. 162 (1812). as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon purpurascens* (R.Br.) P.Beauv. -- Essai d'une nouvelle Agrostographie 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon purpurascens* Desv. - J. Bot. Agric. 1: 70. 1813 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon pusillus* Rendle -- Cat. Afr. Pl. (Hiern) ii. 229. 1899 [30 May 1899] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon robustissimus* (Domin) N.T.Burb. -- Proceedings of the Linnean Society of London Sess. 153 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon robustissimus* (Domin) N.T.Burb. -- Proc. Linn. Soc. London 153, 78. 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon scaber* Lehm. -- Nov. Stirp. Pug. [Lehmann] 3: 41. 1831 [Jan-Apr 1831] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon scaber* Lehm. -- Nov. Stirp. Pug. [Lehmann] 3: 41. 1831 [Jan-Apr 1831] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon scaber* Lehm. var. *namibiensis* Mashau -- Kew Bull. 72(3)-39: 1. 2017 [15 Sep 2017] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon schimperianus* (Hochst. ex A.Rich.) Renvoize -- Kew Bull. 22(3): 400. 1968 [19 Dec 1968] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon scoparius* Stapf -- Fl. Cap. (Harvey) 7(4): 656. 1900 [May 1900] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon spathaceus* Gooss. -- Bull. Misc. Inform. Kew 1934(5): 200. [8 Aug 1934] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon truncatus* Kakudidi - - Austral. Syst. Bot. 1(4): 350. 1989 [1988 publ. 1989] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon truncatus* Kakudidi - - Australian Systematic Botany 1988 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon virens* (Lindl.) Kakudidi -- Austral. Syst. Bot. 1(4): 351. 1989 [1988 publ. 1989] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon virens* (Lindl.) Kakudidi -- Australian Systematic Botany 1988 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon wrightii* (S.Watson) C.E.Hubb. -- Hooker's Icon. Pl. 34: sub tab. 3337, p. 2. 1937 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon wrightii* (S.Watson) C.E.Hubb. -- Hooker's Icon. Pl. 34: sub t. 3337, p. 2, in adnot. 1937 [1939 publ. Sep 1937] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enneapogon wrightii* (S.Watson) Roshev. -- Zlaki (Grasses) 418, in obs. 1937 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enodium Gaudin* -- Agrost. Helv. i. 145 (1811). [Apr 1811] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enodium atrovirens* Dumort. -- Observ. Gramin. Belg. 108. 1824 [Jul-Sep 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enodium caeruleum* Gaudin -- Agrost. Helv. i. 145. 1811 [Apr 1811] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enodium litorale* Kunth -- Euum. Pl. i. 380. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enodium sylvaticum* Link -- Enum. Hort. Berol. Alt. 1: 80. 1821 [16 Mar-30 Jun 1821] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enteropogon* Nees -- Nat. Syst. Bot. (Lindley), ed. 2. 448. 1836 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enteropogon* Nees -- A Natural System of Botany ed. 2 1836 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Enteropogon acicularis* (Lindl.) Lazarides -- Austral. J. Bot., Suppl. Ser. 5: 31. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-
From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Enteropogon acicularis (Lindl.) Lazarides -- Australian Journal of Botany Supplementary Series 5 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Enteropogon badamicus Bhide -- J. Proc. Asiat. Soc. Bengal 7: 514. 1912 [1911 publ. 1912] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Enteropogon barbatus C.E.Hubb. -- Bull. Misc. Inform. Kew 1941(2): 196. 1942 [1941 publ. 22 Nov 1942] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Enteropogon brandegeei (Vasey) Clayton -- Kew Bull. 37(3): 419. 1982 [30 Dec 1982] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Enteropogon brandegeei (Vasey) Clayton -- Kew Bull. 37(3): 419. 1982 [30 Dec 1982] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Enteropogon chlorideus (Presl) Clayton -- Kew Bull. 37(3): 419. 1982 [30 Dec 1982] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Bulbophyllum sterile (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis adenocoleos* Pilg. -- Notizbl. Bot. Gart. Berlin-Dahlem 15: 705. 1942 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis advena* (Stapf) S.M.Phillips -- Kew Bull. 37(1): 159. 1982 [25 Jun 1982] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis aegyptiaca* Delile -- Fl. Egypt. 157. t. 4. f. 2. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis aegyptiaca* Delile subsp. *humifusa* H.Scholz -- Willdenowia 26(1-2): 231. 1996 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis aethiopica* Chiov. -- Robecchi, Somalia 726; et in Ann. Ist. Bot. Roma, vi. 173. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.)

Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis affinis* Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 562. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis affinis* Nees & Meyen ex Steud. -- Syn. Pl. Glumac. 1(3): 265. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis affinis* Salzm. ex Steud. -- Syn. Pl. Glumac. 1(3): 277. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis afghanica* Gand. -- Bull. Soc. Bot. France 66: 299. 1920 [1919 publ. 1920] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis agrostoides* Rendle -- Cat. Afr. Pl. (Hiern) ii 240. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis airiformis* Rendle -- Cat. Afr. Pl. (Hiern) ii 243. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis airoides* Nees -- Fl. Bras. Enum. Pl. 2(1): 509. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis airoides* Nees -- Fl. Bras. Enum. Pl. 2(1): 509. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis airoides* Nees var. *pluriflora* Döll -- Fl. Bras. (Martius) 2(3): 137. 1878 [1 Sep 1878] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis alba* J.Presl -- Reliq. Haenk. 1(4-5): 279. 1830 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis albensis* H.Scholz -- Verh. Bot. Ver. Berlin Brandenburg 128(2): 74 (1995). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis albescens* Steud. -- Syn. Pl. Glumac. 1(3): 269. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis albida* Hitchc. -- J. Wash. Acad. Sci. 1929, xix. 304. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis alopecuroides* Balansa -- J. Bot. (Morot) iv. (1890) 168. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis alta* Keng -- Lingnan Sci. J. 16: 1. 1937 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis alveiformis* Lazarides - - Austral. Syst. Bot. 10(1): 96 (1997). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amabilis* (L.) Wight & Arn. -- Bot. Beechey Voy. 251. 1838 [Jul 1838] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amabilis* (L.) Wight & Arn. -- Cat. Indian Pl. [Wight] [pt. 2]: 105, no. 1777. 1834 [24 Sep 1834] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amabilis* (L.) Kuntze -- Revis. Gen. Pl. 2: 773, 774. 1891 [5 Nov 1891] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amabilis* (L.) Wight & Arn. var. *insularis* (C.E.Hubb.) P.Umam. & P.Daniel -- J. Econ. Taxon. Bot. 22(1): 216 (1998):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amabilis* (L.) Wight & Arn. var. *peramangalamensis* P.Umam. & P.Daniel -- J. Econ. Taxon. Bot. 22(1): 216 (1998). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amanda* Clayton -- Kew Bull. 25(2): 253. 1971 [24 Jun 1971] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis ambleia* Clayton -- Kew Bull. 27(1): 152. 1972 [17 Aug 1972] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis ambohibengensis* A.Camus -- Bull. Soc. Bot. France 74: 689. 1928 [1927 publ. 1928] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amboinensis* Trin. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 652. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amboinicea* Druce -- Rep. Bot. Soc. Exch. Club Brit. Isles 4(Suppl. 2): 621. 1917 [Jul 1917] as key ingredient in indigenous anti-cancer

Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis ambositrensis* A.Camus -- Bull. Soc. Bot. France 100: 353. 1953 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis ambrensis* A.Camus -- Bull. Soc. Bot. France 100: 354. 1953 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amherstiana* Nees -- Ill. Bot. Himal. Mts. [Royle] 417, nomen (Quid?). 1840 [Mar-Apr 1840] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amoena* J.Presl -- Reliq. Haenk. 1(4-5): 275. 1830 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis amoena* J.Presl -- Reliq. Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis araiostachya* Chiov. -- Fl. Somalia 2: 458. 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis arenicola* C.E.Hubb. -- Kew Bull. 4(3): 345. 1949 [16 Nov 1949] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis argentina* Wedd. -- Bot. Arch. 5: 193. 1924 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis argentina* Wedd. -- Bot. Arch. 5: 193. 1924 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis arida* Hitchc. -- J. Wash. Acad. Sci. 23: 449. 1933 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis arida* Hitchc. -- J. Wash. Acad. Sci. 1933, xxiii. 449. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis aristata* De Winter -- Bothalia vii. 468 (1961). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis aristiglumis* Kabuye -- Kew Bull. 26(1): 83. 1971 [27 Oct 1971] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* Nees -- Fl. Bras. Enum. Pl. 2(1): 502. 1829 [Mar-Jun 1829] ; alt. title: *Agrost. Bras.* as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* (Schränk) Nees -- Fl. Bras. Enum. Pl. 2(1): 502. 1829 [Mar-Jun 1829] ; alt. title: *Agrost. Bras.* as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* De Wild. -- Bull. Jard. Bot. État Bruxelles 6: 58. 1919 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* var. *eglandulosa* Nicora -- Revista Argent. Agron. 7: 272 (figs. 4C-G, 5B). 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* var. *genuina* Nicora -- Revista Argent. Agron. 7: 269. 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* var. *glabrescens* Henrard -- Meded. Rijks-Herb. 40: 69. 1921 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis articulata* var. *pauciflora* Döll -- Fl. Bras. (Martius) 2(3): 142. 1878 [1 Sep 1878] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis arundinacea* Jedwabn. - Bot. Arch. 5: 192. 1924 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis arundinacea* (L.) Roshev. -- Fl. URSS ii. 319 (1934). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis arundinacea* Jedwabn. - Bot. Arch. 5: 192. 1924 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis aspera* Nees -- Fl. Afr. Austral. III. 408. 1841 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis astrepta* S.M.Phillips -- Kew Bull. 46(1): 111. 1991 [1 Mar 1991] as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis astreptoclada* Cope -- Kew Bull. 53(1): 135. 1998 [2 Apr 1998] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atherstonei* Stapf -- Fl. Cap. (Harvey) 7(4): 607. 1900 [May 1900] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atropioides* Hillebr. -- Fl. Hawaiian Isl. [Hillebrand] 531. 1888 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atropurpurea* Hochst. ex Steud. -- Syn. Pl. Glumac. 1(3): 267. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atropurpurea* Steud. -- Syn. Pl. Glumac. 1(3): 267. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atrovirens* Lange -- Vidensk. Meddel. Naturhist. Foren. Kjøbenhavn (1860) 47. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atrovirens* Nees -- Fl. Afr. Austral. Ill. 400. 1841 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atrovirens* (Desf.) Trin. -- in Steud. Nom. Bot. ed. 2 1: 562. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) *Eragrostis atrovirens* var. *ramosa* Honda -- Bot. Mag. (Tokyo) 45: 298. 1931 [20 Jun 1931] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with *Bulbophyllum sterile* (Lam.) Suresh and *Rubia cordifolia* L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com
